Guest speaker: Rene King

    Tuesday September 15th, 2009
    23:30 (UTC) Coordinated Universal Time
    4:30 p.m. to 5:30 p.m. Pacific Daylight Saving Time
    5:30 p.m. to 6:30 p.m. Mountain Daylight Saving Time
    6:30 p.m. to 7:30 p.m. Central Daylight Saving Time

7:30 p.m. to 8:30 p.m. Eastern Daylight Saving Time

How is the dyslexic brain different from another brain? What kind of gifts do the dyslexics have? How does technology best work for persons who have dyslexia? What is the latest research and information about dyslexia?

If you have any questions, please forward them to brenda.mcbride@humanware.com before September 10th, 2009.

Bio: Rene King, C.A.L.T.

Pleasant Grove Independent School District, Texarkana, TX.
Distric Dyslexia Outreach Coordinator

Rene' King has taught in the field of dyslexia and related disorders in the capacity of teacher and therapist from Kindergarten through 12th grade as well as college and adult students. Currently, she is the Dyslexia Outreach Coordinator at Pleasant Grove ISD, and author of "The Second Step, Success Through Technology". She has presented at conferences for the Dallas Branch of the International Dyslexia Association, Academic Language Therapist Association, Region 10 Dyslexia Institute, Scottish Rite Hospital, Houston ISD, and Yale Center for Dyslexia and Creativity.
